We are currently in the process of planning for next year's student transportation. The fees for transportation will increase this year to the following schedule.

First Child \$200 Second Child \$100 Family Cap \$300

(Please see attached application for transportation)

During this past year we have established the driving distances from each school to the two-mile limit. Transportation fees are assessed to students who live less than two miles from the school in grades one through six and all students in grades seven to twelve, regardless of the distance. Should you have a question regarding whether you reside outside the two-mile limit, please contact us at 978-388-0507. All students who wish to use transportation regardless of where you live must fill out an application.

If you are paying for transportation, the first payment, 50% of the total, is due no later than Sept 15, 2007. The second and final payment is due no later than November 15, 2007.

All checks should be made payable to the Amesbury Public Schools and sent or delivered with an application to the Superintendent of Schools Office, 10 Congress Street, Amesbury, Massachusetts 01913

Each student will receive a new bus pass in early September which will be a different color than last year.

Should you have any questions regarding any aspect of this process, please call either me or Ms. Bartlett. Thank you in advance for your cooperation.

Sincerely,

G. David Jack
Assistant Superintendent of Schools
